MONTHLY TREATMENT

In the infinity of life where I am, all is perfect, whole and complete, and yet life is ever changing. There is no beginning and no end, only a constant cycling and recycling of substance and experiences. Life is never stuck or static or stale, for each moment is ever new and fresh.

I am one with the very Power that created me and this Power has given me the power to create my own circumstances. I rejoice in the knowledge that I have the power of my own mind to use in any way I choose. Every moment of life is a new beginning point as we move from the old. This moment is a new point of beginning for me right here and right now.

All is well in my world.

Louise L. Hay

**GOD IS
(Words and music by Karen Drucker)**

God is life and I am life. God is life and I am life.
God is light and I am light. God is light and I am light.
God is joy and I am joy. God is joy and I am joy.
God is love and I am love. God is love and I am love.

God is peace and I am peace. God is peace and I am peace.
God is beauty and I am beauty. God is beauty and I am beauty.
God is power and I am power. God is power and I am power.
God is good yes God is good. God is good yes God is

All these things God is. All these things I am.
All these things God is. All these things I am.
All these things God is. All these things I am.
All these things God is. All these things I am. God is good.

AFFIRMATION AT THE OFFERING
