**“The Spiritual Path”
taught by the Rev. Michael Sternlieb**

This is the introductory class in the study of The Science of Mind®, the philosophy developed by Dr. Ernest Holmes.

This class is the opening to self-discovery; to an awareness of the nature of reality that will lead you to greater joy than you have ever known.

This class will give you a greater understanding of the nature of Life and God’s relationship to the individual and of the creative nature of thought. You will learn how to use Spiritual Mind Treatment (affirmative prayer) as a means of directing consciousness toward a specific result.

Dr. Holmes’ classic book, *The Science of Mind* will be used to explore and take us on our own spiritual pathway.

This course is created for students interested in on-going spiritual growth and development.

No previous study is required. Tuition refunds cannot be granted after the first class.

The curriculum offered is approved by International Centers for Spiritual Living.

Certificates of Completion will be granted to those students successfully completing the SOM 100 Series.
