**Spiritual Laws
Taught by Rev. Michael Sternlieb**

This is a practical class, which empowers the student to develop positive thinking skills. Dr. Holliwell’s classic text provides clear explanations of exactly how spiritual laws operate in our lives. These laws are completely reliable, and this class shows the student how to use this knowledge to benefit every area of living.

Part of every class will be devoted to the study and practice of Spiritual Mind Treatment, our form of affirmative prayer. Learn how to use this powerful tool for personal transformation in your life.

This course is created for students interested in ongoing spiritual growth and development. No previous study is required.

The curriculum offered is approved by Centers for Spiritual Living (CSL)
